

THE FOLLOWING QUESTIONS ARE MANDATORY - NOTE N/A WHERE REQUIRED:

How does the rule protect the safety of participants &/or spectators?

How is the rule a positive step for the sport?

How does the rule ensure increased opportunity for even competition?

How is rule enforceable?

Is the cost of complying reasonable for competitors? If not, what solutions are available?

- Completed forms are to be presented to your affiliated state club for discussion & voting. Once accepted in your state, your club will be responsible for uploading your rule change to the Speedcars Australia Rule Change Portal. The portal allows for 3 related images to be uploaded.
- All submissions will be vetted for compliance to the content requirements above. Please ensure the form is completed in full. Where a submission is deemed unsuitable for voting due to poor documentation, the submission will be returned to the club with notification to the submitter via email.
- Rule change closure dates and voting will be not adjusted to accommodate any errors or incomplete submissions.
- All technical rule change submissions will be vetted by the Speedcars Advisory Committee (SAC).
